Experience

Frontend Engineer — Electronic Educational Initiative (EDON)

Sep 2024 – Present

- Led frontend development of an interactive learning platform deployed across 65 Federal Government Colleges in Nigeria.
- Built immersive 3D learning simulations using React Three Fiber and interactive annotations.
- Optimized classroom experiences for smartboards with responsive and accessible interactions.
- Led redesign of deployment architecture by consolidating 65 isolated deployments into a centralized VPS architecture, reducing infrastructure costs and simplifying maintenance.
- Implemented Role-Based Access Control (RBAC) for administrators, teachers and students.
- Collaborated with educators, designers and engineers to deliver production-ready educational software.

Frontend Engineer — EarthBroadband Ltd (Remote, UK)

Feb 2021 – Aug 2024

- Built customer-facing SaaS products serving 2,000+ customers.
- Developed onboarding, CRM, billing and self-service experiences.
- Reduced billing inaccuracies by over 80% through improvements to payment workflows and recurring billing experiences.
- Built reusable Storybook design system improving UI consistency.
- Improved performance with lazy loading and code splitting.
- Improved accessibility with ARIA standards and keyboard navigation.
- Collaborated with backend engineers and product teams to deliver scalable production features.

Frontend Developer — Freelance

Aug 2024 – Present

- Delivered 20+ production web applications across education, healthcare, real estate and consulting.
- Built a real estate management platform using Next.js, React, TypeScript, Tailwind CSS, Storybook and Auth0.
- Optimized applications for performance, SEO and accessibility, consistently achieving 90+ Lighthouse scores where applicable.

Web Developer & Visual Designer — RHIP Factory

Nov 2015 – May 2019

- Designed and developed marketing websites for startups.
- Collaborated with product teams using Figma and Adobe Illustrator.
- Built and maintained WordPress websites focused on performance and usability.

Education

B.Eng. Electrical & Electronics Engineering

Modibbo Adama University, Yola (2008–2013)
